

REAL ESTATE.

Renewed Activity in Real Estate Circles this week—What was Done.

Though the boom in real estate had not subsided to a marked degree, the past week has witnessed a decided picking up in transfers. The active preparations made for two weeks at the oil well grounds have had a stimulating effect, while the sale of lots in Bassford's addition at stiff figures, did not tend to dull matters in the least. The action of the Regular Baptist Publishing Association in investing money here in business property cannot but be of a benefit to the city.

The Salamander Fire Brick and Stove-lining Co., has not been idle during the week, but has had men actively engaged refitting and renovating their large factory up on West Jackson St., for the reception of a complete outfit of new and improved machinery.

Besides the sale made to the Baptist Association, the ladies of the Christian church have bought the valuable lot just north of the Globe Hotel, at the corner of Liberty and Water streets for a good round sum. T. B. Hitt bought a neat piece of acre property at \$60 per acre.

G. D. Ferris again showed his faith in Mexico property by making an investment on North Washington Street.

W. B. McIntire bought a first-class piece of property.

Every man who invested in lots at Bassford's sale Thursday, has been offered a good advance on what was paid for them, and it is clear that next week will be a leader in the real estate history of Mexico.

MARTINSBURG Musing.

MARTINSBURG, May 11.—Eld. T. J. Marlow, of Fayette, visited his many friends last week, also assisting in the services at the Christian church.

Rev. Martin, of Troy, assisted Rev. McGee in his protracted services.

Services at the Christian church closed on Sunday eve last with five by letter, one reclaimed and eight by the good confession; among the latter were Boulware Taylor, Price Jones, Birdie Criger, Stella Taylor, Nora Bullard, M. Henson, Bettie Davidson and Miss Smith.

Miss Maggie Torreyson, who has been sick, is out again.

Dr. Bell is visiting his parents, sisters and brothers and best girl, at his old home.

Mr. and Mrs. Schaden are entertaining relatives from Illinois.

A fishing and picnic party is consuming the thoughts of the young folks at present.

Boys, to Allan Burwell and wife, a daughter.

Boys, to Thos. Elder and wife, a son.

Mr. Dave Owens and daughter left Wednesday for their future home in New York City.

WES.

Through his attorney, Forist and Kneass of Mexico, and Turner of Kansas, Wm. B. Barnes has bought a lot at Irvin J. Sims and John Sims' \$10,000 damages for malicious prosecution. It will be remembered that Barnes said I. J. Sims was to pay for \$35,000 for slander, and this case is virtually settled, as the above suit for malicious prosecution, which is claimed to be covered previous to the trial of the slander suit.

No Use to Kick.

From the Jefferson City Tribune.

The citizens of Moberly are still groaning about the reform school and a cure to be comforted. Mexico, Mo., has nothing to say. As the weather grows warmer Moberly will doubtless become more reconciled to her lot, which, after all, is a very trifling affair to grieve over.

Will Have Coal Mines of Our Own.

From the Vandalia Leader.

A gentleman from Mexico was in our city a few days since, and a citizen of this city was speaking of the Mexican "boom," when the aforesaid gentleman said that it would afford him great pleasure to trade the Mexican boom for Vandalia's coal mining and manufacturing interest. There would be money for Mexico in such an exchange.

Elders M. J. Sears and Bradley, of Huntsville, was in Mexico Thursday looking up a suitable location for the Regular Baptist Publishing House. A decision will be arrived at once, and it is safe to say, that the Publishing Association will occupy its own property in Mexico within 30 days.

CLOSE KID.

From the Lodi News.

The new town between Lodi and Perry is to be christened *Vital*, the name of the Postmaster General. Wise folks they—they can now get a postoffice very easily.

Even the ladies of Mexico are getting the real estate fever. A bery of our fair citizens in carriages attended the sale of lots in Bassford's addition and were delighted with the way things went.
